

Corner booths

Corner booths:

- ✓ Have aisles on 2 sides backing onto an exhibit
- ✓ Are generally 10ft deep x 20ft wide
- ✓ Side wall may be up to 8ft, but only as far as 4ft from the back wall – after which they must drop down to 3 ft high
- ✓ Maximum allowable height of the **backwall is 8ft**
- ✓ **Suspended signs are NOT permitted** with this type of booth configuration
